About the play

Alice is a young girl with a big imagination. Alice is always bored during her lessons with her teacher Ms. Jenny. She does not like normal books about history, she wants fun books with pictures. One day after a lesson with Ms. Jenny she is given a magical book. Using this book Alice embarks on a magical journey to Wonderland where she meets lots of new friends and maybe some enemies.

Wonderland is a mysterious place ruled by the evil queen and her soldiers, but there are many other creatures that live in this kingdom. Once Alice gets to Wonderland she first meets Hatter a funny man dressed in a funny way. The Hatter tells Alice that the magic book she holds is a very important book that was stolen from the castle many years ago and no one had seen it ever since, till now. The queen's soldiers see Alice with the magic book and they quickly tell the Queen. Alice is blamed for stealing the book and the queen is now after her.

Can the boys and girls help Alice run away and go back home? Will they protect her from the evil queen and her soldiers? Will Alice make Wonderland a better place?

WONDERLAND

Mmm, yeah yeah yeah
Oh yeah, yeah yeah
Oh wonder, oh wonder

I'm afraid of the dark
Especially when I'm in a class
And there's no one else around
Ooh, I get the shivers

I don't want to see a ghost
It's a sight that I fear most
I'd rather have a piece of toast
And watch the beautiful trees

Wonder, wonder, wonder, wonderland
Doo, doo doo doo
(x2)

I'm a superstitious girl
I'm the worst in the world
Never walk under ladders
I keep a rabbit's hole

I'll take you up on a dare
Anytime, anywhere
Name the place, I'll be there
Bungee jumping, I don't care

Wonder, wonder, wonder, wonderland
Doo, doo doo doo
(x2)
wonder, doo, doo doo
Doo, doo doo

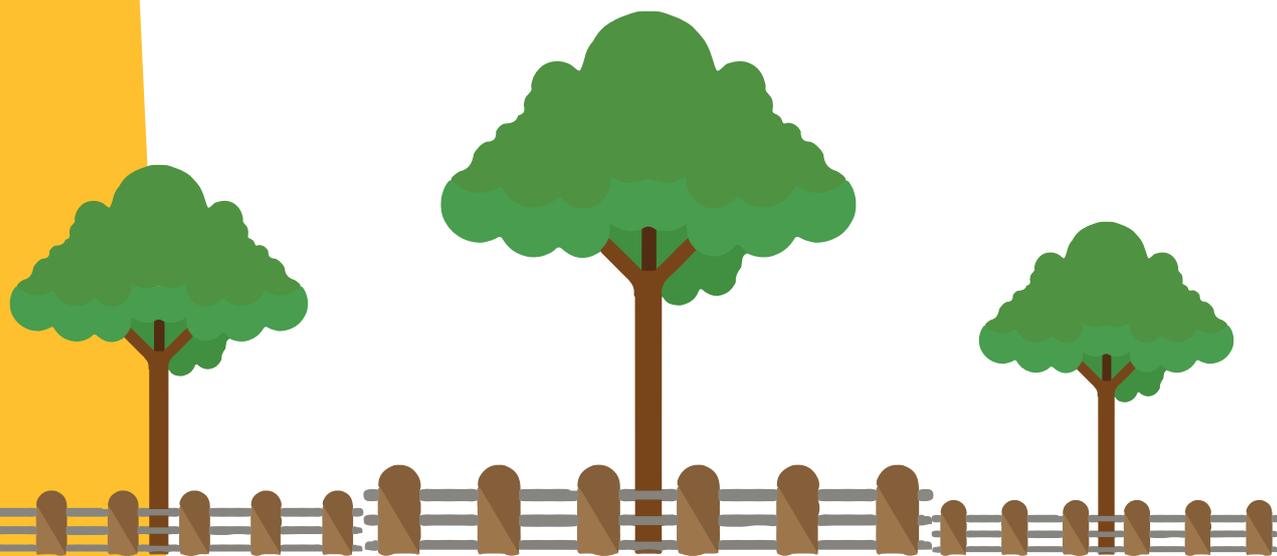

So after all is said and done
I know I'm not the only one
Life indeed can be fun
If you really want to

Sometimes living out your dreams
Ain't as easy as it seems
You wanna fly around the world
In a beautiful balloon

Wonder, wonder, wonder, wonderland
Doo, doo doo doo
(x4)

Doo, doo doo doo
(5)

Oh wonder, oh wonder
Wonder, wonder, wonder, wonderland
(x2)

Just a school girl on a Saturday night
Looking for the fight of her life
In the real time world no one sees her at all
They all say she's crazy

Locking rhythm to the beat of her heart
Changing movement into light
She had danced into the danger zone
When the dancer becomes the dance

It can cut you like a knife
If the gift becomes the fire
On the wire between will and what will be

It's a magic book, magic book in my hand
And she's dancing like she's never danced before
It's a magic book, magic book in my hand
And she's dancing like she's never danced before

On the ice blue line of insanity
Is a place most never see
It's a hard won place of mystery
Touch it but can't hold it

You're curious all your life, for that moment in time
It could come or pass you by
It's a push shove world
But there's always a chance
If the hunger stays the night

There's a cold connective heat
Struggling stretching for the peak
Never stopping with her head against the wind

It's a magic book, magic book I sure know
And she's dancing like she's never danced before
It's a magic book, magic book I sure know
And she's dancing like she's never danced before

It can cut you like a knife
If the fight becomes the fire
On the wire between will and what will be

It's a magic book, magic book I sure know
And she's dancing like she's never danced before
It's a magic book, magic book I sure know
And she's dancing like she's never danced before
Magic book, magic book I sure know

SWEETDREAMS

Sweet dreams are made of this
Who am I to disagree?
I overrule the world
And the seven seas,
Everybody's looking for something.

Some of them want to steal you
Some of them want to replace you
Some of them want to steal you
Some of them want to replace you.

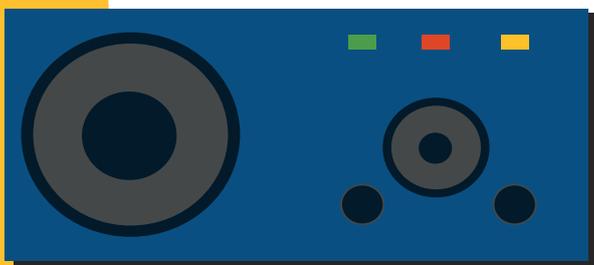

Sweet dreams are made of this
Who am I to disagree?
I travel the world
And the seven seas
Everybody's looking for something

Hold your head up
Keep your head up, movin' on
Hold your head up, movin' on
Keep your head up, movin' on
(X2)

Some of them want to steal you
Some of them want to replace you
Some of them want to steal you
Some of them want to replace you.

Who am I to disagree?

1. Learn about the theatre company.

It's not just the actors who make the show! Before the show opens there are lots of things that need doing to make sure that the audience (you) enjoy the performance. The script needs writing, the music needs composing, the set needs designing and the actors need directing.

Find out below who is involved and what they need to be good at for their job.

1. Writer Job: The Writer is the person who writes the script.

What they must be good at: The writer needs to be creative and good at writing. They also need to be able to work well alone.

2. Director Job: The Director is the person who brings all the different artistic elements together. They will choose the actors, advise on the set, run the rehearsals and help the actors decide what to do on the stage.

What they must be good at: The director needs to be good at having an overall vision for the performance and an overseeing eye for everything that is happening. They need to be very creative and a good team leader.

3. Designer Job: The Designer is in charge of designing the set (what we put on stage to help create the world of the play) and the costumes. They produce a model of the set which they show to the director and the actors.

What they must be good at: The designer needs to be very artistic and creative and have a good imagination to decide what the final set will look like. They also must be good at drawing.

4. Musical Director Job: The Musical Director is responsible for teaching the actors the songs during the rehearsal process. They sometimes write and compose the music themselves, or they might choose appropriate atmospheric music that's been written by someone else.

What they must be good at: The musical director needs to be very musical with a good knowledge of different songs and an ability to teach others.

5. Stage Manager Job: The Stage Manager is in charge of everything that happens on-stage. They will work with the designer to make sure that they have all the props and that everything looks exactly like the designs.

What they must be good at: A stage manager needs to be organised, good at communicating, and very resourceful.

6. Wardrobe/ Costume Department Job: The Wardrobe Department works with the designer to source and make all the costumes for the actors. Each day they have to wash and iron the costumes and do any last-minute repairs so that they look as good as new for every performance.

What they must be good at: The wardrobe department must be very organised and good at sewing.

7. Lighting Designer Job: The Lighting Designer works with the designer to create the atmosphere in the theatre. They will choose the colours, the brightness, and the angle of the lights which will then be programmed into a computer so that they are the same in each performance.

What they must be good at: The lighting designer needs to be artistic, and good with technical equipment.

3. Read and Learn about the original story;

Alice's Adventured in Wonderland by Lewis Carroll

Alice's Adventures in Wonderland (often shortened to Alice in Wonderland) is generally thought of as one of the greatest books for children in the history of English literature, and has also been enjoyed by many older readers. Though the play you are about to watch is a different adaptation, the story originates from the old book written by a British author named Lewis Carroll. Lewis Carroll was born in 1832 in a little place called Daresbury in England. Alice's Adventures in Wonderland was written 153 years ago!! In 1865. That's a very old book, but through the years the story has stuck and we now bring an adaptation to your stage! Let's learn a bit more about Lewis Carroll;

Lewis Carroll's real name is Charles L. Dodgson. He was born January 27, 1832 on a island in Europe called the United Kingdom. He was the oldest boy in a family of 11 children. As a kid he was interested in photography, writing and creating fun games, and loved children. He was also very good at mathematics and was a teacher for a part of his life But it was a special girl named Alice who inspired him to write this story. She asked him to write this story, so he did. He also wrote a second book named Through the Looking Glass and What Alice Found There in 1871. These two have become one of the most famous children's books for the past 150 years!! He passed away in 1932.
